Dear Sirs,

I have provided the court with approximately 65 pages of documentations regarding the death of my son (Gerald E. Seeley ([REDACTED])

The documents show that, without dispute the above listed Purdue Pharma L.P., et al is responsible for the death of my son in their production of oxycontin.

I have requested a settlement for \$5.5 million. I realize the courts are very busy with this case.

I am begging the courts to look into this matter as soon as your time will allow.

I have made a commitment to my son's al ma madder (University of California Riverside) to provide the university with funds to setup a scholarship fund in my son's name.

This is a fitting as Gerald was phi beta cappa, Maga Cum Laude top of his class and a good and decent man.

I will be honored to make this donation for future students of U.C.R.

THANK YOU

RON SEELEY
